JUANABE

BIO

South Florida's premier 80's cover band - playing all the songs you want to hear

Step into a vibrant time capsule with **Juanabe**, the ultimate 80s cover band ready to electrify your event with high-energy performances that will ignite nostalgia and keep the dance floor packed all night long. Drawing inspiration from iconic legends like The Police, Def Leppard, U2, Depeche Mode, The Cure, and Van Halen, Juanabe masterfully blends classic rock anthems, infectious pop hits, and the edgy sounds of new wave and punk, while also sprinkling in some unforgettable Spanish rock gems that will have everyone dancing and singing along. With a repertoire filled with chart-toppers and a spirited stage presence, **Juanabe** doesn't just play music—they create unforgettable experiences that your guests will rave about long after the last chord fades. Get ready to relive the magic of the 80s and make your event a night to remember with **Juanabe**!

**ALBERT
FORTES**
lead guitar

Began playing at the age
of 10 and fell in love with
both the instrument and
how it works.

Played upright bass and
guitar through out high
school and college.

Music tastes spanning far
and wide from country
and blues to rock, but by
far loves the 80s era of
music best.

**ROBERT
GONZALEZ**
keyboards/vocals

Amazing pianist, and
plays the harmonica

His knowledge of theory
and composition are
what makes him an
integral part of this band

FELIX RODRIGUEZ
drums

Meticulous when it comes to giving the songs what it needs to make it sound like the original but with a touch of his own style

Playing drums since age 15

Musical influences include Neil Peart (Rush), Buddy Rich, and Carter Beauford (Dave Matthews Band)

LUIS LOPEZ
rhythm
guitar/percussion/
vocals

Started playing guitar at age 7; bass at age 16

Performed with various bands over the years – Influx, Latin Groove, and The Call

His guitar playing spanning many styles and excellent ability to harmonize vocally adds color to the band's already energetic party sound
